

Anyone who's ever dealt with a government bureaucracy knows how frustrating and intimidating it can be. Fortunately, Congressman Campbell can help you handle any problem you encounter with the federal government. Each year, we help thousands of 48th District residents who have questions or need help with federal agencies.

If you can't get an answer from a federal agency in a reasonable time or if you have been treated unfairly, we might be able to help resolve a problem or get you the information you need. While we cannot guarantee you a favorable outcome, we will do our best to help you receive a fair and timely response to your problem. We can also help you order a Flag, Tours throughout our nation's Capital, and apply for nominations to our Service Academies. We are here to serve you, and if there is anything I or my staff can do to assist you, please do not hesitate to call one of my offices. You may also begin the casework process online. Thank you for visiting!
